

FAITH ON FIRE

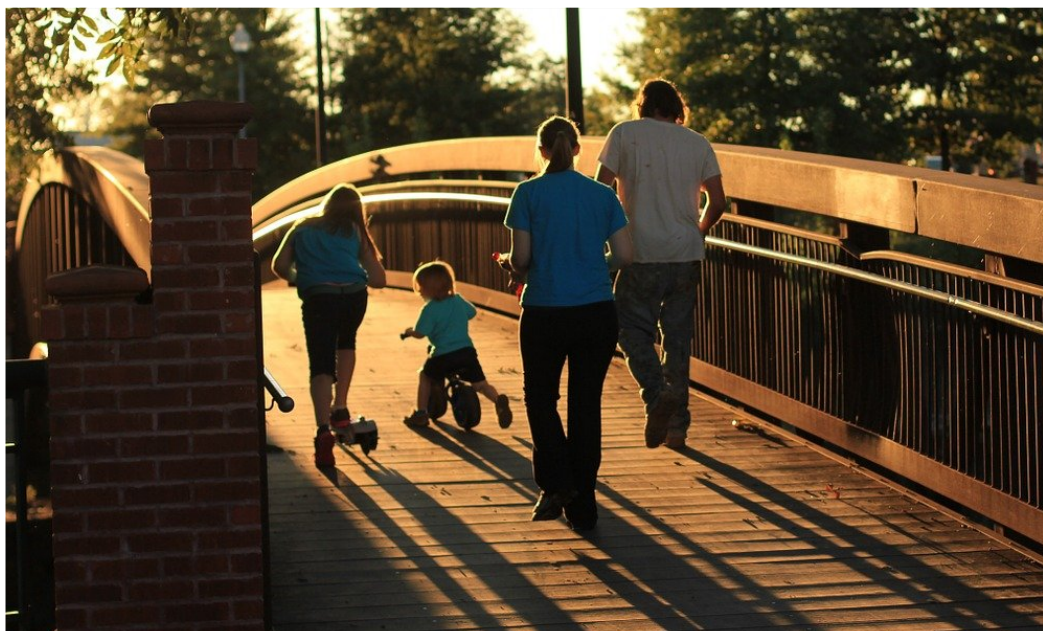

Adult Faith Formation in your Parish

contact@faithonfire.ie

How can we help your parish?

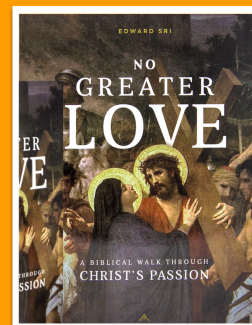

Faith on Fire works in partnership with Catholic parishes in Ireland to help provide vibrant adult faith formation: to parents, to those involved in parish ministry and to the wider parish community.

Working in collaboration with parish teams, and using some of the best adult faith formation resources available, our catechists provide the opportunity for people in Irish parishes to discover or rediscover Christ, His Church, His mission and His message, and to explore ways of sharing that live-giving faith in Christ with our children, our families, our work-colleagues and our friends.

"A strong call emerged for further work on adult faith formation."

~ Irish Synodal Synthesis, 2022

"Our Catholic faith is coherent, compassionate and beautiful, but for many Catholics, that seems to be a rather well-kept secret. Faith on Fire is just the ministry we need to get the secret out!"

~ Fr Chris Hayden, Spiritual Director,
St Patrick's Seminary, Maynooth

How does Faith on Fire work?

Faith on Fire has a panel of dynamic faith-filled catechists available to work with parishes in their local area to offer vibrant and engaging adult faith formation.

CALL FROM SYNODAL PROCESS: One of the clearest themes to emerge from Irish Synodal consultations was the great need for more widespread adult faith formation in parishes. One submission stated: "Our spiritual growth is stunted. As adult members of the Church, we are not sufficiently grounded in our faith, and do not have the confidence in speaking about our love of God."

SUITED TO YOUR PARISH NEEDS: Faith on Fire offers a flexible and affordable way of providing engaging and accessible faith formation, suited to adult learning and supporting a personal encounter with Christ. Contact us to see if we have a catechist in your area, to find out about the cost, or to hear more about how we work in partnership with parishes to deliver anything from a single programme to a year long plan of adult faith development.

Our focus is on bringing the basics of the faith to life for adult Catholics, at different levels, offering all a space to learn, discuss, share, pray and build community together in Christ.

PARTICULAR FOCUS ON PARENTS: We have a particular interest in working with parents, supporting their own faith and helping them discover ways of passing that faith to their children and families.

“As adult members of the Church, we are not sufficiently grounded in our faith, and do not have the confidence in speaking about our love of God.”

TEAM SUPPORT: Our contact with parishes is always through the Faith on Fire team, which will include your local catechist. We meet regularly as a team for our ongoing catechist formation days: to support each other, grow in knowledge and help keep the fire of our own faith burning brightly.
